

***Access Indiana Information Network
Electronic On-line Service Authorization and Rate Request***

Date Proposed: September 23, 1999
Request Number: 1999-3
Rate Period: Indefinite

Summary:

Consistent with the Indiana statutes governing access to public records, enhanced electronic access, and the Indiana Intelenet Commission; the State of Indiana Broad Agency Announcement 95-39; the Network Manager Proposal of Indian@ Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indian@ Interactive, Inc.; Indian@ Interactive, Inc. being authorized as Network Manager for the Access Indiana Information Network (AIIN) requests and recommends that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the AIIN services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line enhanced access fees per service offered as detailed in this document. Such funds collected for AIIN services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the AIIN fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all AIIN services at any rate less than the maximum amount approved in this and any future rate requests.

Service Request 64: Special Searches of the Business Entity Database: SOS

In accordance with the authorities cited above, the Network Manager requests and recommends that **Special Searches of the Business Entity Database** for the Indiana Secretary of State be made available by the Network at an additional charge. These special searches will enable customers to request a variety of search parameters which fall outside what is currently available on the interactive search. Results will be compressed and emailed to the customer upon approval and receipt of payment by credit card or debit of an AIIN account. The Network Manager recommends and requests that this enhanced service be made available for a fee of \$2.50 per one hundred (100) records produced, with a minimum charge of \$25.00 per search performed. Revenue from this service will be used for the general operation and development of the Network.
